L.A. Mills Administration Building 100 Walter Stephenson Road Midlothian, Texas 76065

#### November 16, 2020 – 5:00 PM

Immediately after opening, the Board of Trustees will convene in Closed Session and will return to Open Session upon completion of closed session

A Regular Meeting of the Board of Trustees of Midlothian ISD will be held November 16, 2020, beginning at 5:00 PM.

The subjects to be discussed or considered, or upon which any formal action may be taken are listed on the agenda, which is attached to, and made a part of this Notice. Items do not have to be taken in the order shown on this meeting notice.

For those attending in person, social distancing guidelines will be followed. Members of the public may access this meeting in real time by clicking the <u>video conference link</u> and selecting the Board of Trustees Regular Meeting for November 16, 2020.

The open portions of this meeting will be streamed live and recorded. The video will be made available to the public on the District's website.

**PUBLIC COMMENT** – Public comments related to this meeting will be accepted in person and virtually, in accordance with the Open Meetings Act and Local District Policy, BED(LOCAL). Members of the public wishing to address the Board during the public comment portion of this regular meeting shall be limited to five minutes.

Individuals wishing to speak remotely, should complete an online <u>Public Comment Form</u> for virtual participation prior to 4:00 pm on November 16, 2020. *Please note:* Comments will not be read into the record. Those participating virtually will be admitted to the meeting at the designated time to speak via the Zoom <u>link</u> with meeting ID: 821 0648 9872. In-person participants must sign in and complete a "Public Comment Participation Form" and present it to the Board President or designee by 5:50 p.m. on November 16, 2020. If a completed form for public comment is not received by the applicable deadline posted, the individual will not be able to participate in public comment at this meeting.

In accordance with the Texas Open Meetings Act, Board Members will listen to the comments. The Board, through the presiding officer or Superintendent, can offer factual information, cite Board policy, or direct the administration to investigate items and report back to the Board, but shall not engage in a two-way dialogue with patrons.

Background Information:	State law requires each Texas school district to hold a public hearing on the Financial Integrity Rating System of Texas (FIRST). This is the 18th year of School FIRST, a financial accountability system for Texas school districts developed by the Texas Legislature in 1999. Major changes to the School FIRST system were implemented by the Texas Education Agency in August 2015 that combined financial indicators with financial solvency indicators, in accordance with House Bill 5, 83rd Texas Legislature, Regular Session, 2013. The primary goal of School FIRST is to achieve quality performance in the management of school districts' financial resources, a goal made more significant due to the complexity of accounting associated with Texas' school finance system.  Midlothian ISD earned a "Superior" rating for the 2018-2019 fiscal year with a score of 100 out of 100 possible points. The Schools

# School FIRST Public Hearing FY 2018-2019 Data

November 16, 2020

## What is the School FIRST Rating?

- Financial Integrity Rating System of Texas
- Created by Texas Education Agency in response to Senate Bill 875 of the 76<sup>th</sup> Texas Legislature in 1999 to measure the performance of school districts' financial resources
- Rating indicators this year test all school districts in 15 areas
- Rating calculations this year are based on data from the 2018-2019 fiscal year

#### What are the objectives of School FIRST?

- Assess the quality of financial management in Texas public schools
- Measure and report the extent to which financial resources are allocated for direct instructional purposes
- Fairly evaluate the quality of financial management decisions
- Openly report results to the general public

Ratings are determined by the number of points earned from the 15 indicators

**Superior Achievement** 

90-100 points

**Above Standard Achievement** 

80-89 points

**Meets Standard Achievement** 

60-79 points

**Substandard Achievement** 

<60 points

or a "NO" answer on one default indicator (1, 2a, 3, 4)

## **MISD Passed with Superior Achievement**

A perfect score of 100 for 2019-2020

MISD has received the top rating since the inception of the rating system 18 years ago

#### **FIRST Indicators**

1. Was the complete annual financial report (AFR) and data submitted to the TEA within 30 days of the November 27 or January 28 deadline depending on the school district's fiscal year end date of June 30 or August 31, respectively?

**YES** 

2a. Was there an unmodified opinion in the AFR on the financial statements as a whole? (The American Institute of Certified Accountants (AICPA) defines unmodified opinion. The external independent auditor determines if there was an unmodified opinion).

### **2020-2021 School Year:**

- This year, we plan to use structured plans to pull students from classes in a staggered fashion again to provide individualized and targeted review and support needed for each student needing to retest.
- We plan to give students online review items that they can work on at home, in addition to the methods we will use at school.
- We plan to share a Zoom link to the review sessions and information on Canvas for Virtual Students.
- We plan to use some of the methods and techniques described in this
  document, and we also will try new methods of accelerated instruction that
  will assist each individual in achieving their goal of passing all of their
  EOC exams.

	Fall 2019 Interventions: We identified students who were not successful in each EOC exam and sent the list to the teachers in that content area. Parent/guardian of these students were notified.  Score reports were given to the students so they are aware of their area of weakness. This will help individualized instruction when working with teachers. Every student was contacted and advised to report to specific EOC tutorials during advisory time. Teachers would work with the students in the specific areas in which they were unsuccessful.

### **2019 Summer Interventions:**

Students and parents were notified early in the summer about the retake opportunity. Students attended a 4 day bootcamp specifically designed to help each individual EOC. This occurred the week before the Summer administration. The boot camp was tailored to helping students in areas of greatest need.

### 2020-2021 School Year: Fall 2020 Remediation Plan

Our remediation plan will serve both our virtual and face to face students. Students will have access to tutorial pathways through Canvas. Students will work on these during advisory and outside of the school day for all subject re-test areas. Below is the plan for each course in addition to the Canvas tutorials. We are planning to have structured EOC tutorials by subject during advisory, after school and a Saturday boot camp. We understand that a lot of our LEP students struggle with EOC tests. We are going to use our ELL labs during advisory to help them. Our teachers are getting assistance from iCoaches with Accelerated Instruction for our students.

Algebra I-Saturday boot camp, virtual students can zoom in. Canvas course for tutorials will be set up and students can work on their course during advisory and outside of school.

English I- After school Tuesday and Thursdays, first 3 weeks of November. Canvas multiple choice and tutorials will focus on the writing. November 7th-Saturday boot camp 9-1 December 5th-Saturday boot camp 9-1

English II- After school Tuesday and Thursdays, first 3 weeks of November. Data day for English II will include review of retesters and narrow down skills to work on in tutorial time. Canvas tutorials that students can work on advisory.

	November 7th-Saturday boot camp 9-1				
	December 5th-Saturday boot camp 9-1				
	Biology- Five Pathways are now set up in Canvas. Students will be assigned a mentor (present science teacher) starting the last week of October. Each week the mentor will check student progress on the pathway and guide the student towards completion. Additionally, a biology teacher will be available Tuesday and Thursday afterschool for any questions and to help with the pathway.				
	US History- Review Packet and canvas course to review. Morning tutoring twice a week for struggling students.				
	Due to the COVID waiver, some of our students were not able to average high enough on their tested courses for the semester to receive it. This has caused an inflation in our current re-test list. Students who needed to retest missed two opportunities (Spring 2020n and Summer 2020) to pass, which has also caused an inflation on our current fall re-test numbers.				
	Parents were sent a letter in the mail and an email with the retest listed that their student will need to retake. Also provided in the letter was the remediation plan.				
	Students were sent an email and will also be called down individually to receive their letter.

*Overnight mail or hand deliveries:* James Earl Rudder Officer Building, 1019 Brazos, Austin, Texas 78701.

*Fax*: (512) 463-5569. If faxed, the original Oath should also be mailed to the appropriate address above. *Email*: Scanned copies of the executed Oath may be sent to <a href="mailto:register@sos.texas.gov">register@sos.texas.gov</a>. If sent by email, the original Oath should also be mailed to the appropriate address above.

**NOTE**: Do not have the Oath of Office administered to you before executing and filing the Statement of Officer (Form 2201 – commonly referred to as the "Anti-Bribery Statement") with the Office of the Secretary of State.

### **Commentary**

Pursuant to art. XVI, Section 1 of the Texas Constitution, the Oath of Office *may not* be taken until a Statement of Officer (see Form 2201) has been subscribed to and, as required, filed with the Office of the Secretary of State. Additionally, gubernatorial appointees who are appointed during a legislative session *may not* execute their Oath until after confirmation by the Senate. Tex. Const. art. IV, Section 12.

### Officers Required to File Oath of Office with the Secretary of State:

Gubernatorial appointees

District attorneys

Appellate and district court judges

Officers appointed by the supreme court, the court of criminal appeals, or the State Bar of Texas

Associate judges appointed under subchapter B or C, chapter 201 of the Texas Family Code Directors of districts operating pursuant to chapter 36 or 49 of the Texas Water Code file a duplicate original of their Oath of Office within 10 days of its execution. Texas Water Code, Sections 36.055(d) and 49.055(d)

### Officers Not Required to File Oath of Office with the Secretary of State:

Members of the Legislature elected to a *regular* term of office will have their Oath of Office administered in chambers on the opening day of the session and recorded in the appropriate Journal. Members elected to an *unexpired* term of office should file their Oath of Office with either the Chief Clerk of the House or the Secretary of the Senate, as appropriate.

All other persons should file their Oaths locally. Please check with the county clerk, city secretary or board/commission secretary for the proper filing location.

As a general rule, city and county officials do not file their oath of office with the Secretary of State—these officials file at the local level. The Legislature amended the Texas Constitution, Article 16, Section 1, in November 2001 to no longer require local level elected officials to file with our office. The Office of the Secretary of State does NOT file Statements or Oaths from the following persons: Assistant District Attorneys; City Officials, including City Clerks, City Council Members, Municipal Judges, Justices of the Peace, and Police/Peace Officers; Zoning/Planning Commission Members; County Officials, including County Clerks, County Commissioners, County Judges (except County Court of Law Judges who file with the Elections Division), County Tax Assessors, and District Clerks; and Officials of Regional Entities, such as, Appraisal Review Districts, Emergency Service Districts, and School Districts (ISD's). Questions about whether a particular officer is a state-level officer may be resolved by consulting relevant statutes, constitutional provisions, judicial decisions, and attorney general opinions.

All state or county officers, other than the governor, lieutenant governor, and members of the legislature, who qualify for office, are commissioned by the governor. Tex. Gov't Code, Section 601.005. The Secretary of State performs ministerial duties to administer the commissions issued by the governor, including confirming that officers are qualified prior to being commissioned. Submission of this oath of office to the Office of the Secretary of State confirms an officer's qualification so that the commission may be issued.

Questions about this form should be directed to the Government Filings Section at (512) 463-6334 or register@sos.texas.gov.

Background Information:	According to Education Code Section 44.031, all school district contracts for the purchase of goods and services, except contracts for the purchase of produce or vehicle fuel, valued at \$50,000 or more in the aggregate for a 12-month period shall be made by the method of the following methods that provides the best value for the district:  (1) Competitive bidding for services other than construction services; (2) Competitive sealed proposals for services other than construction services; (3) A request for proposals, for services other than construction services; (4) An interlocal contract (5) A method provided by Chapter 2267, Government code, for construction services; (6) The reverse auction procedure as defined by Section 2155.062(d), Government Code; or (7) The formation of a political subdivision corporation under Section 304.001, Local Government Code.  The total purchases in each budget year for Medical and PPE Supplies, Materials and Equipment exceed \$50,000, and consequently, request for proposals were opened on October 27, 2020 in the Business Office. This proposal allows potential vendors to submit catalog information and pricing. This award does not guarantee goods to be purchased; it gives our district the opportunity to work with the vendor to supply goods, if desired.			
Fiscal Impact/Budget Function Code:	Approving the vendors in these categories will ensure the district increases the availability of resources in order to receive the best pricing, value, and support on those resources.			
Policy:	СН			
District Goal:	Facilitate budget process and building designs through allocated district resources that foster flexible and innovative learning spaces.			
Administration Recommended Option:	It is the Administration's recommendation that the Medical and PPE Supplies, Materials and Equipment acceptable vendors be approved. This gives campuses/departments flexibility to procure goods with multiple vendors when needed.			
Motion:	A consent item. If pulled, a motion might be: "I make a motion to approve the Medical and PPE Supplies, Materials and Equipment vendors as presented."

#### **Curriculum Mastery**

Promotion and course credit shall be based on mastery of the curriculum. Expectations and standards for promotion shall be established for each grade level, content area, and course and shall be coordinated with compensatory, intensive, and/or accelerated services. [See EHBC] The District shall comply with applicable state and federal requirements when determining methods for students with disabilities [see FB] or students who are English language learners [see EHBE and EKBA] to demonstrate mastery of the curriculum.

Students Receiving Special Education Services Any modified promotion standards for a student receiving special education services shall be determined by the student's admission, review, and dismissal (ARD) committee and documented in the student's individualized education program (IEP). [See EHBA series and EKB]

#### Standards for Mastery

In addition to the factors in law that must be considered for promotion, mastery shall be determined as follows:

- 1. Course assignments and unit evaluation shall be used to determine student grades in a subject. An average of 70 or higher shall be considered a passing grade.
- Mastery of the skills necessary for success at the next level shall be validated by assessments that may either be incorporated into unit or final exams or may be administered separately. Mastery of at least 70 percent of the objectives shall be required.

Kindergarten– Grade 4<u>3</u> In kindergarten–grade 43, promotion to the next grade level shall be based on a standards-based reporting system, which covers grade-level standards (essential knowledge and skills) for all subject areas. A student shall "meet standard" or above in three of the following areas: reading/language arts, mathematics, science, and social studies.

Grades 42-5

For students in grades <u>42</u>–5, promotion to the next grade level shall be based on demonstrated proficiency, which includes all of the following:

- 1. A final grade average of at least 70 in reading;
- 2. A final combined grade average of at least 70 in language arts:
- 3. A final grade average of at least 70 in mathematics;
- 4. A final grade average of at least 70 in science; and
- 5. A final grade average of at least 70 in social studies.

DATE ISSUED: 2/13/2019 LDU 2019.01 EIE(LOCAL)-X

EIE (LOCAL)

Retention for Grades 24–5

Failure to meet any one of the above criteria may result in retention of the student in his or her current grade level. The campus principal shall be responsible for the promotion of all students.

Grades 6-8

In grades 6–8, promotion to the next grade level shall be based on an overall average of 70 on a scale of 100 based on course-level, grade-level standards (essential knowledge and skills) for all subject areas and a grade of 70 or above in three of the following areas: English/language arts and reading, mathematics, science, and social studies.

The principal shall confer with the classroom teacher when decisions on promotion or retention differ. The final decision for retention shall be determined by the campus principal.

Grades 9-12

Grade-level advancement for students in grades 9–12 shall be earned by course credits. [See EI]

### Accelerated Instruction

If a student fails to demonstrate proficiency on a state-mandated assessment, the student shall be provided accelerated instruction in accordance with state law. Additionally, students in grades 5 and 8 shall be subject to all provisions of Grade Advancement Testing, below.

### Grade Advancement Testing

Except when a student will be assessed in reading or mathematics above his or her enrolled grade level, students in grades 5 and 8 must meet the passing standard on the applicable state-mandated assessments in reading and mathematics to be promoted to the next grade level, in addition to the District's local standards for mastery and promotion.

Definition of "Parent" For purposes of this policy and decisions related to grade advancement requirements, a student's "parent" shall be defined to include either of the student's parents or guardians; a person designated by the parent, by means of a power of attorney or an authorization agreement as provided in Chapter 34 of the Family Code, to have responsibility for the student in all school-related matters [see FD]; a surrogate parent acting on behalf of a student with a disability; a person designated by the parent or guardian to serve on the grade placement committee (GPC) for all purposes; or in the event that a parent, guardian, or designee cannot be located, a person designated by the Superintendent or designee to act on behalf of the student. [See EIE(LEGAL)]

Alternate Assessment Instrument

The Superintendent or designee shall select from the state-approved list, if available, for each applicable subject an alternate assessment instrument that may be used for the third testing opportunity. Each student's GPC shall decide whether he or she shall be

DATE ISSUED: 2/13/2019

LDU 2019.01 EIE(LOCAL)-X

EIE (LOCAL)

given the statewide assessment instrument or the applicable alternate instrument for the third testing opportunity. The committee's decision shall be based on a review of the student's performance in the previous testing opportunities, local assessments, and any other circumstances it deems appropriate.

Standards for Promotion Upon Appeal If a parent initiates an appeal of his or her child's retention following the student's failure to demonstrate proficiency after the third testing opportunity, the GPC shall review all facts and circumstances in accordance with law.

The student shall not be promoted unless:

- All members of the GPC agree that the student is likely to perform on grade level if given additional accelerated instruction during the following school year in accordance with the educational plan developed by the GPC; and
- 2. The student has completed required accelerated instruction in the subject area for which the student failed to demonstrate proficiency.

Whether the GPC decides to promote or to retain a student in this manner, the committee shall determine an accelerated instruction plan for the student for the following school year, providing for interim reports to the student's parent and opportunities for the parent to consult with the teacher or principal as needed. The principal or designee shall monitor the student's progress during the following school year to ensure that he or she is progressing in accordance with the plan.

**Transfer Students** 

When a student transfers into the District having failed to demonstrate proficiency on applicable assessment instruments after two testing opportunities, a GPC shall convene for that student. The GPC shall review any available records of decisions regarding testing and accelerated instruction from the previous district and determine an accelerated instruction plan for the student.

If a parent initiates an appeal for promotion when a student transfers into the District having failed to demonstrate proficiency after three testing opportunities, the GPC shall review any available records of decisions regarding testing, accelerated instruction, retention, or promotion from the previous district and issue a decision in accordance with the District's standards for promotion.

#### Assignment of Retained Students

In the event a student is not promoted to the next grade level, the District shall nevertheless assign the student to an age-appropriate campus, unless:

DATE ISSUED: 2/13/2019

LDU 2019.01 EIE(LOCAL)-X

EIE (LOCAL)

- 1. The student's parent requests that the student be assigned to the same or a similar campus setting; or
- 2. The student's GPC determines that it would be in the student's best interest to be assigned to the same or a similar campus setting. Criteria to be considered for this decision may include:
  - a. Recommendations from the student's teachers.
  - b. Observed social and emotional development of the student.

### Reducing Student Retention

The District shall establish procedures designed to reduce retaining students at a grade level, with the ultimate goal being elimination of the practice of retaining students. [See EHBC]

FNA (LOCAL)

# Student Expression of Religious Viewpoints

The District shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the District treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.

# Student Speakers at Nongraduation Events

The District hereby creates a limited public forum for student speakers at all school events at which a student is to publicly speak. For each speaker, the District shall set a maximum time limit reasonable and appropriate to the occasion.

#### Introductory Speakers

Student speakers shall introduce:

- 1. Football games;
- 2. Opening announcements and greetings for the school day at the high school, middle school, and elementary school levels;
- 3. National and Junior Honor Society Induction ceremony;
- 4. Midlothian Education Foundation Top Five Percent banquet;
- 5. Athletic, FFA, band, choir, and other banquets; and
- 6. Senior Awards Night.

The forum shall be limited in the manner provided by this section on nongraduation events.

### Eligibility and Selection

At the secondary level, only those students in the highest two grade levels of the school at which the student is publicly speaking who have had no disciplinary consequences for the current and preceding semester and who hold one of the following positions of honor based on neutral criteria are eligible to use the limited public forum: student council officers, class officers of the highest grade level in the school, members of the National Honor Society, student organization officers, and National Merit Finalists or Semifinalists.

At the elementary level, only those students in the highest two grade levels of the school at which the student is publicly speaking who have had no disciplinary consequences for the current and preceding semester and who hold the following positions of honor based on neutral criteria are eligible to use the limited public forum: those who have earned the "A" honor roll and have earned at a minimum an "E" in citizenship.

An eligible student shall be notified of the student's eligibility, and a student who wishes to participate as an introducing speaker shall

DATE ISSUED: 10/25/2007

FNA (LOCAL)

submit the student's name to the student council during an announced period of not less than three days.

The announced period shall occur at the beginning of each semester or at the end of the preceding semester so speakers are in place for the next semester. The names of the volunteering student speakers shall be randomly drawn until all names have been selected, and the names shall be listed in the order drawn.

Assignment of Introductory Speakers Each selected student shall be matched chronologically to the event for which the student shall be giving the introduction. Each student may rotate after each speaking event. The list of student speakers shall be chronologically repeated as needed, in the same order. The District may repeat the selection process each semester rather than once a year.

Content of Student Introductions The subject of the student introductions must be related to the purpose of the event and to the purpose of marking the opening of the event; honoring the occasion, the participants, and those in attendance; bringing the audience to order; and focusing the audience on the purpose of the event. A student must stay on the subject, and the student may not engage in obscene, vulgar, offensively lewd, or indecent speech. The District shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the District treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.

Disclaimer

For as long as there is a need to dispel confusion over the non-sponsorship of the student's speech, at each event in which a student shall deliver an introduction, a disclaimer shall be stated in written or oral form, or both, such as, "The student giving the introduction for this event is a volunteering student selected on neutral criteria to introduce the event. The content of the introduction is the private expression of the student and does not reflect the endorsement, sponsorship, position, or expression of the District."

Other Student Speakers

Certain students who have attained special positions of honor in the school have traditionally addressed school audiences from time to time as a tangential component of their achieved positions of honor, such as the captains of various sports teams, student council officers, class officers, homecoming kings and queens, prom kings and queens, and the like, and have attained their positions based on neutral criteria. Nothing in this policy eliminates the continuation of the practice of having these students, irrespective of grade level, address school audiences in the normal course of their respective positions.

DATE ISSUED: 10/25/2007

FNA (LOCAL)

The District shall create a limited public forum for the speakers and shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the District treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.

# Student Speakers at Graduation Ceremonies

Opening and Closing Remarks

The District hereby creates a limited public forum consisting of an opportunity for a student to speak to begin graduation ceremonies and another student to speak to end graduation ceremonies. For each speaker, the District shall set a maximum time limit reasonable and appropriate to the occasion.

The forum shall be limited in the manner provided by this section on student speakers at graduation. [See also FMH(LEGAL)]

Eligibility

Only students who are graduating and are in leadership roles in campus activities, have performed community service, or have distinguished themselves academically by being in the top ten percent of the graduating class or by obtaining academic honor graduate status shall be eligible to use the limited public forum. Who hold one of the following positions of honor shall be eligible to use the limited public forum:

- Student council officers,
- Class officers of the graduating class

A student who shall otherwise have a speaking role in the graduation ceremonies is ineligible to give the opening and closing remarks. All eligible students shall be given an opportunity to volunteer their names to be put on a list submitted to the graduating senior class. The graduating senior class shall then nominate speakers from among these names to make the opening and closing remarks. In the event that more than one name is nominated for either category, a random drawing (or drawings in the event that both categories have multiple nominations) shall be conducted to determine which students will speak.

Content of Opening and Closing Remarks

The topic of the opening and closing remarks must be related to the purpose of the graduation ceremony and to the purpose of marking the opening and closing of the event; honoring the occasion, the participants, and those in attendance; bringing the audience to order; and focusing the audience on the purpose of the event

### Other Student Graduation Speakers

In addition to the students giving the opening and closing remarks, the valedictorian and salutatorian may have speaking roles at graduation ceremonies.

DATE ISSUED: 10/25/2007

FNA (LOCAL)

For each speaker, the District shall set a maximum time limit reasonable and appropriate to the occasion and to the position held by the speaker. For this purpose, the District creates a limited public forum for these students to deliver the addresses. The subject of the addresses must be related to the purpose of the graduation ceremony, marking and honoring the occasion, honoring the participants and those in attendance, and the student's perspective on purpose, achievement, life, school, graduation, and looking forward to the future.

The student must stay on the subject, and the student may not engage in obscene, vulgar, offensively lewd, or indecent speech. The District shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the District treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.

Disclaimer

A written disclaimer shall be printed in the graduation program that states, "The students who shall be speaking at the graduation ceremony were selected based on neutral criteria to deliver messages of the students' own choices. The content of each student speaker's message is the private expression of the individual student and does not reflect any position or expression of the District or the board of trustees, or the District's administration, or employees of the District, or the views of any other graduate. The contents of these messages were prepared by the student volunteers, and the District refrained from any interaction with student speakers regarding the student speakers' viewpoints on permissible subjects."

Religious Expression in Class Assignments Students may express the students' beliefs about religion in homework, artwork, and other written and oral assignments free from discrimination based on the religious content of the students' submission. Homework and classroom work shall be judged by ordinary academic standards of substance and relevance and against other legitimate pedagogical concerns identified by the school. Students may not be penalized or rewarded on account of religious content. If a teacher's assignment involves writing a poem, the work of a student who submits a poem in the form of a prayer (for example, a psalm) should be judged on the basis of academic standards, including literary quality, and not penalized or rewarded on account of its religious content.

Freedom to Organize Religious Groups and Activities

Students may organize prayer groups, religious clubs, "see you at the pole" gatherings, and other religious gatherings before, during, and after school to the same extent that students are permitted to

# Proposal for Facilitation of a Strategic Plan

**Submitted to**Midlothian ISD

### Prepared by

N2 Learning 2024 W. 15<sup>th</sup> Street Suite F #502 Plano, TX 75075 (P) 972.515.2268

#### **OVERVIEW**

Five years ago, Midlothian Independent School District (MISD) engaged staff, students, and community members to create a strategic plan for the district. The MISD Board of Trustees and administration desire to review, revise, and develop the strategic plan to provide a clear vision for the district. Roz Keck, N2 Learning partner, will facilitate the update of this plan.

#### **PROCESS**

#### I. Review of Current Plan

N2 will work with staff to identify critical information about the progress on the current plan.

#### **II. Vital Signs**

N2 will work with staff to compile vital information about the District to be used to complete a SWOT analysis to identify any changes in the strengths, weaknesses, opportunities, and threats.

#### III. Thoughtexchange Survey

The district will survey the community, students, and staff regarding their aspirations for the students of MISD.

#### IV. Planning Meetings

N2 will facilitate planning meetings with a MISD Strategic Plan Update Committee (the committee) that will be made up of approximately 30-40 members. The committee will include, but is not limited to:

- Parents and community members
- Board members
- Central administration staff members

**Review of Current Plan** –A brief review of the current plan will be presented to the committee.

Analysis of the Current Conditions and Perceptions of the District – In order to update the external analysis and opportunities, N2 will facilitate the committee through a SWOT analysis using the information from the Vital Signs to identify the strengths, weaknesses, opportunities, and threats. A review of the Thoughtexchange survey results will be included in the process.

**Thinking Challenge** – N2 will gather a variety of materials from experts to challenge the thinking of the participants.

**Development of the Plan** – N2 will facilitate the work of the committee through the process of reviewing, revising, and developing the following parts of the strategic plan.

#### Review and/or Revise Parts of the Strategic Plan

- Mission Statement N2 will facilitate the work of the committee through the review of the mission statement.
- Vision N2 will facilitate the work of the committee through the review of the vision statement.
- Beliefs N2 will facilitate the work of the committee through the review of core beliefs that describe what is important to the MISD community

#### **Develop Parts of the Strategic Plan**

- Objectives N2 will facilitate the work of the committee through the development of new measurable objectives that will lead the district to accomplish its mission and objectives
- Strategies N2 will facilitate the work of the committee through the development of new strategies

#### V. Sequencing & Assigning Responsibility For Implementation

N2 will work with MISD staff to sequence the action plans for implementation through the life of the plan (approximately five years) and appropriately assign responsibility for each plan.

#### **N2 RESPONSIBILITIES**

- Work with the MISD administration to plan the details of the committee meetings
- Assist in the identification of vital information about the district to conduct the SWOT analysis
- Analyze the results of the Thoughtexchange survey
- Identify research information to challenge the thinking of the committee members
- Develop the agendas for all planning meetings
- Facilitate all planning meetings
- Draft the written plan

#### MISD RESPONSIBILITIES

- Conduct the Thoughtexchange survey
- Identify members of the planning committee
- Prepare Vital Signs information
- Prepare and present update to progress on current plan
- Secure meeting locations for the planning meetings
- Provide all supplies including, but not limited to:
  - Large poster paper
  - Markers
  - Easels
- Provide refreshments for meetings

#### TIMELINE

 Option 1 – Seven 3-hour meetings; specific dates/times to be agreed upon by N2 and MISD

- Option 2 –Two 7-hour meetings, one 3-hour meeting, and two 2-hour meetings; specific dates/times to be agreed upon by N2 and MISD
- Option 3 Two 6-hour meetings and three 3-hour meetings; specific dates/times to be agreed upon by N2 and MISD

#### FEE

This proposal includes facilitation of the process described in this proposal, N2 staff support, and routine communication costs. Travel and expenses will be billed at cost. All meeting arrangements will be made by MISD and all expenses associated with meetings will be the responsibility of MISD, including duplication and printing of materials. The cost for any additional resources will be the responsibility of MISD.

Option 1 – Seven 3-hour meetings	\$14,000.00
Option 2 - Two 7-hour meetings, one 3-hour meeting, and two 2-hour me	etings.\$12,000.00

# New, Innovative and Renewed Innovative Courses for 2021-2022

#### **Electives**

Course Name: Ethnic Studies: African American Studies

PEIMS Number: N1130027

Credits: 1 Course Length: Year
Course Type: Regular Weight: 1.0

CTE: YES NO
Grade Placement: 9-12
Prerequisite: none

Course Description: African American Studies is a conceptually driven course that introduces students to the exploration of the rich and diverse history and culture of African Americans. The goal of this course is to broaden the knowledge and understanding of students interested in learning about history, citizenship, culture, economics, science, technology, geography, and the political realities of African Americans. These strands should not be taught in isolation but woven together in an integrated study that helps students understand the world in which we live. This course should provide students with an opportunity to engage with the social, economic, and political activities of African Americans in a way that allows them to make deep connections across the content. The historical content of this course should be taught with relevance to contemporary and current issues in order to ensure a deeper understanding for students.

**Rationale:** To be inclusive of our ever changing demographics.

Course Name: Ethnic Studies: Mexican American Studies

**PEIMS Number:** 03380084

Credits: 1 Course Length: Year
Course Type: Regular Weight: 1.0

CTE: YES NO

Grade Placement: 10-12

Prerequisite: none

**Course Description:** Mexican American Studies, an elective course, students learn about the history and cultural contributions of Mexican Americans. Students explore history and culture from an interdisciplinary perspective. The course emphasizes events in the 20th and 21st centuries, but students will also engage with events prior to the 20th century.

Rationale: To be inclusive of our ever changing demographics.

Course Name: PE Substitution - JROTC 1

PEIMS Number: PES00004

Credits: 1 Course Length: Year
Course Type: Regular Weight: 1.0

CTE: YES NO
Grade Placement: 9-12
Prerequisite: none

Course Description: JROTC program has been accredited as a Special Purpose Program by the national accrediting agency known as AdvancED. JROTC curriculum provides equitable and challenging academic content and authentic learning experiences for all Cadets. All lessons are designed using a four part model to motivate the Cadet, allow the Cadet to learn new information, practice competency, and apply the competency to a real-life situation. Moreover, the four part model requires Cadets to collaborate, reflect, develop critical thinking skills, and integrate content with other disciplines. JROTC curriculum includes lessons in leadership, health and wellness, physical fitness, first-aid, geography, American history and government, communications, and emotional intelligence.

**Rationale:** To offer additional elective courses for students. This course would allow students to earn PE credit for JROTC.

#### **Innovative Courses for Students with Special Needs**

Course Name: College Transition PEIMS Number: N1290050

Credits: 1 Course Length: Year Course Type: Regular Weight: 1.0

CTE: YES NO Grade: 9-12

#### **Course Description:**

College Transition is designed to equip students with the knowledge, skills, and abilities necessary to be active and successful learners, both in high school and in college. Students examine numerous research based learning strategies that are proven to lead to academic success such as goal setting, effective time management, handling stress, note taking, active reading, test-taking strategies, and conducting research. In the College Transition course, students will research financial scholarships and grant opportunities, complete applications, and explore technical schools, colleges, and universities. With the increased emphasis on career and college readiness and post-secondary education, students need a course that will provide opportunities to meet these post-secondary opportunities in grades 9-12.

#### Rationale:

Enables students to identify their own skill sets and interests to establish their individual goals. Course offers specific instruction in time management, organization, study skills, and motivation while learning the importance of college education.

Course Name: Making Connections I-IV

**PEIMS Number:** N1290332, N1290333, N1290334, N1290335 **Credits:** .5 **Course Length: Semester** 

Course Type: Weight: .5

CTE: YES NO

**Grade: 9-12** 

#### **Course Description:**

The Making Connections course sequence serves students who have an autism spectrum disorder or a related disorder such as social (pragmatic) communication disorder which causes

them to have difficulty with social skills. The courses also assist the students with developing and generalizing appropriate and beneficial social skills and in turn increases that student's postsecondary outcome.

Making Connections I assists the students in developing an understanding of autism and other related disorders. The course also assists the students in developing and generalizing appropriate and beneficial social skills and in turn increases that student's postsecondary outcome.

Making Connections III assists students in understanding how their specific disability impacts their learning style. Students learn to employ the proper accommodations and modifications to be more successful. Additionally, they develop the skill to effectively self-advocate for the accommodations and modifications they require.

Making Connections III assists students in understanding how their specific disability impacts their learning style. Students learn to employ the proper accommodations and modifications to be more successful. Additionally, they develop the skill to effectively self-advocate for the accommodations and modifications they require.

Making Connections IV assists students with developing skills to employ collaborative problem solving.

#### Rationale:

This would help open up opportunities for students to receive CTE credit while working on social skills that would increase postsecondary outcomes.

**Course Name**: Community Transportation

PEIMS Number: N1304660

Credits: .5 Course Length: Year

Course Type: Regular Weight: .5

CTE: YES NO
Grade Levels: 9-12
Course Description:

The purpose of this course is to introduce knowledge and skills to empower students to research and access public transportation options in their respective communities. Areas to be addressed include pedestrian and rider safety, navigating public transportation systems, use of technology, and general social skills, including self-advocacy, self-assertiveness, and transportation etiquette. This course provides necessary transportation information, resources, and opportunities that will benefit students in secondary and postsecondary environments as they follow their chosen education or career path.

#### Rationale:

This would open up more opportunities for students to develop life skills while in high school.

**Course Name**: Orientation and Mobility for Students with Visual Impairments

PEIMS Number: N1160510

Credits: 1 Course Length: Year

Course Type: Regular Weight: 1

CTE: YES NO
Grade Levels: 9-12
Course Description:

The Orientation and Mobility for Students with Visual Impairments courses will focus on skills and strategies that will enhance essential travel skills. These travel skills will enable students with visual impairments and blindness to access all of the educational environments in which they will be involved. The courses will focus on travel in the following domains:

- Home/Living Environment which includes directionality, positional concepts, and using landmarks and clues for travel within the school environment
- Campus Environment which includes cane techniques, on-campus orientation and mobility, cardinal directions and low vision devices
- Residential Environment which includes vehicle familiarization, residential area travel, address systems and travel within rural areas as necessary
- Commercial Environment which includes commercial area travel, and commercial street crossings to access community experiences
- Public Transportation which includes skills necessary to travel on public transportation such as buses, taxicabs and rail systems

#### Rationale:

This would open up more opportunities for visually impaired students to develop life skills pertaining to travel skills while in high school.

#### **Fine Arts**

Course Name: Art 1, Art Appreciation

**PEIMS Number:** 03500110

Credits: 1 Course Length: Year Course Type: Regular Weight: 1.0

CTE: YES NO

#### **Course Description:**

The fine arts incorporate the study of dance, music, theatre, and the visual arts to offer unique experiences and empower students to explore realities, relationships, and ideas. Art

Appreciation will introduce learners to the various forms of the visual arts, such as drawing, painting, sculpture, photography, etc. Students will learn to examine works of art, identify and compare key characteristics as they relate to specific periods/styles, and discern the role art has played throughout history. Through hand-on activities, discussion, and research, learners will develop an overall appreciation for the art they encounter in their daily lives.

#### Rationale:

Adding Art Appreciation will allow an opportunity for students to fulfill the required fine arts credit for graduation in a survey-type course that covers basic art concepts/skills, art history, and critique. It will also allow teachers to offer opportunities in Art I-IV for students to focus more specifically on a 4-year art pathway aligned to post-secondary programs.

#### **LOTE- Languages Other than English**

Course Name: German II PEIMS Number: 03420200

Credits: 1 Course Length: Year Course Type: Regular Weight: 1.0

CTE: YES NO

#### **Course Description:**

The study of world languages is an essential part of education. In the 21st century language classroom, students gain an understanding of two basic aspects of human existence: the nature of communication and the complexity of culture. Students become aware of multiple perspectives and means of expression, which lead to an appreciation of difference and diversity. Further benefits of foreign language study include stronger cognitive development, increased creativity, and divergent thinking. Students who effectively communicate in more than one language, with an appropriate understanding of cultural context, are globally literate and possess the attributes of successful participants in the world community.

#### Rationale:

Offering German II will add the second level of foreign language for students to complete their LOTE requirements for graduation.

#### **Career and Technical Education Courses**

**Course Name: College and Career Readiness** 

**PEIMS Number:** 12700300

Credits: 1 Course Length: .5-1

Course Type: xxx Weight: none- Middle School Course

CTE: YES NO

#### **Course Description:**

Career development is a lifelong pursuit of answers to the questions: Who am I? Why am I here? What am I meant to do with my life? It is vital that students have a clear sense of direction for their career choice. Career planning is a critical step and is essential to success. The career development process is unique to every person and evolves throughout one's life. Students will use decision-making and problem-solving skills for college and career planning. Students will explore valid, reliable educational and career information to learn more about themselves and their interests and abilities. Students integrate skills from academic subjects, information technology, and interpersonal communication to make informed decisions. This course is designed to guide students through the process of investigation and in the development of a college and career readiness achievement plan. Students will use interest inventory software or other tools available to explore college and career areas of personal interest. Students will use this information to explore educational requirements for various colleges and a variety of chosen career paths.

# MISD School Board Meeting Department of Learning Update: HB 3

10/19/20

## **House Bill 3 Board Goals and Progress Monitoring Update**

## **TEM** Early Childhood and CCMR Plans

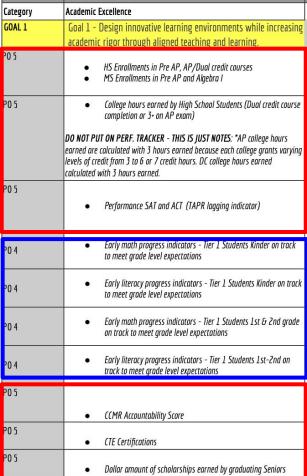

### Why This Matters

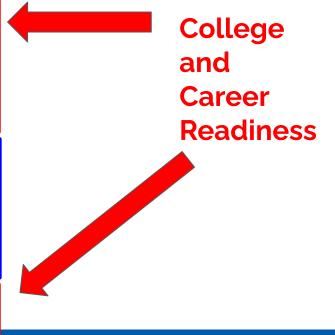

- In keeping alignment with the state's 60x30TX goal, the School Finance Commission recommended establishing a preK through 12th grade goal of at least 60 percent proficiency at TEA's "Meets" standard at two key "checkpoints" along the state's public preK through 12th grade educational continuum:
  - Sixty percent of all students meeting the state's "Meets" standard at third-grade reading.
  - Sixty percent of all high school seniors graduating without the need for remediation and achieving (1) an industry-accepted certificate aligned with a living wage job; or (2) enrolling in post-secondary education' or (3) enrolling in the military.

## HB 3 Board Adopted Goals & Plans Timeline

- **December 2019**: Superintendent, Department of Learning (Management Team), and two appointed Board representatives meet to collaborate on the HB3 requirements to write EC reading and math **goals** and a CCMR **goal**. Current data will be used to develop these **goals** according to HB3 requirements.
  - Dec. 2 1:00-4:00 DOL and 2 Appointed Board Members review historical data and begin drafting goals
  - Dec. 4 7:00am Board Workshop share draft goals with Board for input
  - Dec. 9 1:00-3:00 if needed (was not needed)- DOL and 2 Appointed Board Members come back to consider Board input and adjust goals as needed
- December 16, 2019: Draft goals presented as Information Only to the Board for input
- January 21, 2020: Board consider final adoption of HB3 Board Goals in the areas of EC Reading/Math and CCMR in order for the management team to move forward in the development of the plan.
- January March 2020: The Department of Learning works to develop the required plan based on adopted goals.
- March 16, 2020: The Department of Learning presents the draft plan to the Board for Information Only & input.
- April 20, 2020: The Department of Learning requests Board consideration of adoption of the plan as presented.
- **May-August 2020**: The Department of Learning works with campuses to include newly adopted plan into campus improvement plans.

## **Board Adopted Goals**

**Goal 1:** The percent of third grade students that score "meets" grade level or above on STAAR Reading will increase from 46.57% to 60% by June 2024.

**Goal 2:** The percent of third grade students that score "meets" grade level or above on STAAR Math will increase from 55.32% to 61% by June 2024.

**Goal 3:** The percent of graduates that meet the requirement for CCMR will increase from 68.3% to 80% by June 2024.

## **3rd Grade Reading**

On September 1st at the Board Workshop, you asked......

Is what we are doing working?

How do we know?

We say.....

YES

And..... Here is how we know

#### To start with...... how do you qualify for Special Education?

- A student must meet the eligibility criteria through an evaluation.
- There must be an educational need for specially designed instruction

### What Special Education programs do we have in MISD?

- All campuses have Resource classes for Reading, Language Arts, and Math
- All campuses have Content Mastery/Learning Lab
- All campuses have Inclusion programs
- All campuses have Speech programs

## What additional programs are on each campus?

#### **Professional Development**

- Special Education teachers participate in all PD opportunities just as general education teachers because our students are required to take all district and state assessments just as their general education peers
- Provide additional trainings specific to special education disabilities, law and best practices
- Individual Campus meetings are held to discuss data on Performance Indicators and strategies to address areas of need for individual student growth
- Monthly Lead Sped Representative meetings provide support and the opportunity for us to stay abreast of campus needs

#### How do we measure progress?

- Each student in special education has an Individual Education Plan (IEP)
  which is developed by the special education teacher to address the
  student's individual needs
- In addition to report cards, every special education student receives a progress report on his/her IEP goals at the end of each grading period.
- Data from the Performance Indicators given this school year in grades 2-12 shows that our students have scored on average of 10 points below their general education peers.

#### **Partner Program**

- Our Partner Program involves
   Partner PE as well as
   Elementary Partners who go
   in classrooms and work with
   our students (on hold now
   due to COVID)
- We currently have 78 Partners between the two high schools and 37 at the three middle schools

## **Partners Pictures**

#### **Elevate at Navarro, Waxahachie**

- MISD began this program with Navarro, Waxahachie in 2008 and started with 10 students age 18+ to provide vocational and on the job training
- The program focuses on employability skills for individual students
- Students attend a vocational class ½ day at Navarro and work in the community the other ½ day with a job coach who provides support as needed
- Offered the opportunity for other Ellis County districts to participate with us in the Elevate Program in 2009

#### **Elevate at Navarro, Waxahachie**

- Waxahachie and Red Oak currently have students in the Elevate program along with our MISD students
- MISD is the fiscal agent of the Elevate program and the teacher is an employee of MISD, but her salary is paid proportionately by the number of students each district has in the program.
- In its 12 years, the Elevate program has provided services to 75+ students not only from MISD but from Ellis County districts

#### **Transitions at MHS**

- MISD began this program in 2018 for our 18+ students as an option for those who don't attend the Elevate program at Navarro
- The program is housed at MHS but serves students ages 18+ from both high schools
- Transitions focuses on functional and daily living skills as well as post-secondary skills needed for students on an individual basis

#### **Transitions at MHS**

- Services are provided for students through their 21st birthday
- Most of these students reside with their families but some live in group homes
- Another focus for this group is to make sure they are connected and able to access services with outside agencies once they leave this program

# **Dyslexia**

### **Dyslexia**

#### District Improvement Plan Goal 1

Design innovative learning environments while increasing academic rigor through aligned teaching and learning.

#### **Performance Objective 4**

Support excellence through purpose by providing intentional application of high yield learning strategies for the growth of all students

#### **Strategy 3**

Provide tools and support to ensure that all students' needs are met and data is maintained to track progress

#### **Update/Overview**

- We use the Multi Sensory Teaching (MTA) approach based off the Scottish Rite program which is also used across many districts in Texas
- Special Education Diagnosticians are trained through Scottish Rites to provide the dyslexia assessment in addition to the Full Individual Evaluation
- MISD Dyslexia teachers completed their Certified Academic Language Practitioner training last year through the June Shelton School and is being followed up this year with Coaching.

## CALP Coaching on 10/28/20

### **Staff/Parent Training**

- All staff were previously trained in the Dyslexia Simulation which portrays the frustration our students feel on a daily basis; however, we were not able to fulfill this training with new staff this summer due to staff training for Virtual Learning.
   We are making plans to follow up on that training with new teachers.
- Parents participated in Virtual "Dyslexia Night" on October 22. In addition, we
  have provided links for our parents to join meetings through Region X. We
  would like to provide the simulation experience for our parents as we have done
  in the past but don't believe it will be as effective in a virtual setting.

### **Staffing across the district**

- Each elementary campus has one full time dyslexia teacher in addition to another teacher who provides part time dyslexia services along with ESL
- Each middle school has a teacher who provides dyslexia instruction
- We currently only have one student at the high school level receiving dyslexia services

# **Section 504**

- Section 504 of the Rehabilitation Act is a federal civil rights law that prohibits discrimination against individuals with disabilities.
- Has been amended several times to encompass more disabilities.

### **Section 504**

- To be protected under Section 504, a student must be determined to:
  - Have a physical or mental impairment that substantially limits one or more major life activities

An evaluation meeting is held to determine if a student requires a 504 plan with accommodations.

# **Special and Federal Programs**

# **Goal 1:** Design innovative learning environments while increasing academic rigor through aligned teaching and learning.

#### Performance Objective 1

• Design, develop and support aligned K-12 curriculum, providing challenging academic content standards and aligned academic achievement standards.

### **Special Programs**

- Bilingual
- ESL
- Mckinney-Vento Homeless Education
- Migrant Education Program
- ESSA Federal Title Funds
- State Compensatory Education

## **Programs for English Learners**

Bilingual and English as A Second Language

How do Students Qualify for these programs?

- Students whose home language is not English
- Assessment determines level of English proficiency
- Language Proficiency Assessment Committee (LPAC) determines program placement.
- Once in the program, a student must meet state exit criteria.

### **Programs for English Learners**

**Bilingual Program** (for language minority students)

- Our Bilingual Program began in 2003
- Program was required once we had at least 20 students in the same language (Spanish) in the same grade.
- Currently housed at J. A. Vitovksy.
- Transportation is provided for students from other MISD attendance zones who qualify.
- Program model for **Prekindergarten-4th grade** is **Dual Language Enrichment** (DLE) One Way
- The goal is to **attain full proficiency in the first language**, **as well as English**, with at least half of the instruction delivered in the student's primary language for the duration of the program.
- 5<sup>th</sup> grade is in the last year of the **Late Exit Bilingual** model, as we have been transitioning to the Dual Language program a grade level each year

# **Programs for English Learners**

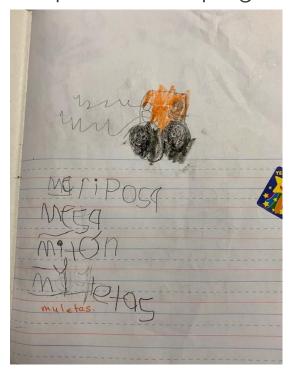

### **English as a Second Language**

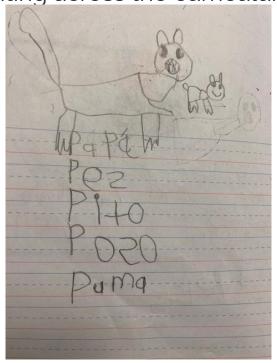

- ESL is provided at all MISD campuses for students in PreK-12th grade who meet eligibility criteria
- 6th-12th grade ESL students are served through Language Arts, English, or ESL pull-out, depending on the need of student, as determined by the LPAC
- All teachers providing services are appropriately certified.
- MISD has 24 teachers working in either Bilingual or ESL classrooms, not including the English or Language Arts teachers who have ESL certification.

# Prekindergarten Bilingual Journal Writing

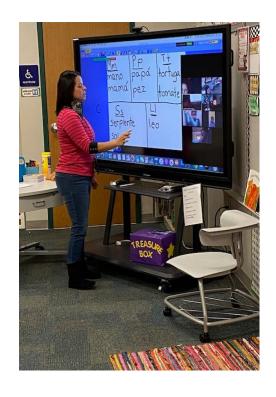

An emphasis of the program is daily writing across the curriculum.

### Texas English Language Proficiency Assessment System (TELPAS)

- EL students are given this state required assessment, in addition to the STAAR test.
- Students are scored in four domains of Listening, Speaking, Reading, and Writing.
- In grades K-1 students are assessed by their teacher.
- In grades 2-12 students are given a computer-based test in the areas of Listening, Speaking, and Reading. They are scored by their teacher in Writing.
- Students may attain a Beginning, Intermediate, Advanced, or Advanced High rating, with Advanced High being the best.

- For the past year, the requirement for reclassification as an English Proficient student was to attain an Advanced High rating in all four domains of Listening, Speaking, Reading, and Writing, and to meet standard on STAAR Reading.
- STAAR was waived due to COVID-19.
- Twenty students met reclassification/exit criteria

# TELPAS Grade Clusters and Average Composite Rating 2018-19 and 2019-20

Grade Cluster	Number of Students		ents at Grade Cluster AS Rating	Average Composite Rating
		% Advanced	% Advanced High	
K-2 (2018-19)	112	35%	6%	2.2 Intermediate
K-2 (2019-20)	77	41%	7%	2.4 Intermediate

3-12 (2019-20)	146	55%	28%	3.1 Advanced

## **Another Indicator of Progress**

- Advancing one proficiency level in TELPAS is the expectation from TEA.
- 49% in K-2 Grade cluster progressed at least one proficiency level from 2019-2020.
- 49% in the 3-12 Grade Cluster progressed at least one proficiency level from 2019-20
- Students usually need to be Advanced or Advanced High to be successful in school without support on the STAAR test.

# **Goal 1:** Design innovative learning environments while increasing academic rigor through aligned teaching and learning.

- Performance Objective 3:
- Systematically support professional development in the implementation of a K-12 aligned curriculum

### **Targeted Professional Development**

- Based on needs of the learners, targeted professional development was provided at two secondary campuses and the elementary where bilingual is housed.
- January, 2020, Midlothian High School teachers were presented
  Research-based Stratiques, by El Saber to help them address the needs of
  the English learner, differentiated by Proficiency Language Level, aligned to
  the English Language Proficiency Standards (ELPS), based on needs
  determined by the campus.
- August 17, 2020 Professional development at MHS was designed to develop Academic Vocabulary.
- Frank Seale Middle School staff received Strategies aligned to the ELPS in August.

### **Professional Development for Teachers of ELs**

- Dual Language teachers and the Coordinator for Special and Federal Programs attended virtual training in Best Practices, while working virtually last spring.
- Five Bilingual Teachers, two ESL teachers, and Coordinator attended The National Best Practices in Dual Language Conference.
- Dual Language consultants supported bilingual teachers with one-on-one coaching and curriculum support last fall.

- As a follow-up to one-on-one coaching, a bilingual consultant was provided to Dual Language teachers for more intensive curriculum support
- Support will be provided during the current year to continue the progress that has been made in the Dual Language program
- All core content teachers have the opportunity to receive Sheltered Instruction training

# **McKinney-Vento Homeless Youth**

Living Situation	Numbers
Unaccompanied Youth	4 (included below)
Doubled-up	12
Unsheltered	5
Hotel/Motel	0

Homeless Status Total	17

# **Migrant Education Program**

- Students who move to seek or obtain work in the area of fishing or agriculture are considered migrant.
- A student maintains this identifier for three years.
- Currently, no students have identified in this way.

## **ESSA Federal Funds Supplement the Basic Programs**

- Apply for funds annually
- Use to supplement what is required
- Use to achieve goals in the Campus or District Improvement Plan
- Determine goals through a Comprehensive Needs assessment

#### Common uses of funds

- Additional staff
- Supplemental materials
- High Quality professional development

# **Title I Funds- Educationally Disadvantaged**

Four Campuses are supported with Title I funds

- T. E. Baxter
- J. R. Irvin
- J. A. Vitovsky
- Frank Seale Middle School
  - Supplemental Interventionists
  - Supplemental Parent Education
- Must set aside funds to support homeless

#### **Additional Title Funds**

- Title II funds
  - Mentors for new teachers
  - Recruitment and retention stipends for Bilingual teachers
  - Targeted professional development
- Title III Funds
  - Second Language Acquisition
- Title IV Funds
  - Activities to support safe and healthy students
  - Well-rounded educational opportunities and SEL programs

## **State Compensatory Funds**

- Funds are allocated to the district according to the number of students who qualify for free or reduced meals
- Used to serve students who are at risk of dropping out of school

Item:	College and Career Postsecondary Planning	
<b>Supporting Document(s):</b>	Electronic: Yes □ No ⊠ Hard Copy: Yes □ No ⊠	
Background Information:	Postsecondary planning for students is a large part of secondary guidance. Educating students and parents of postsecondary options requires multiple approaches to ensure students graduate high school with a postsecondary plan fit for each individual. Naviance is a college and career technology solution for students to explore their strengths and interests for post-secondary planning. Students are able to use feedback from assessments to help guide them when making decisions regarding postsecondary options that are a fit for them as well as possible fields of study.  • The CCLR Framework will be presented • The 20-21 Scope & Sequence will be reviewed • National Student Clearinghouse Data will be reviewed • Advising timelines, course selection process, and college prep exam opportunities will be presented

#### Find Clusters and Pathways

Career clusters are a way of grouping careers with common features and skills. Careers grouped into the same cluster typically require similar education and training. Exploring clusters can be a useful way to find a good career match, especially if you have general areas of interest but are not sure what specific careers match those interests. Career clusters can also help you better understand how your coursework in school can prepare you for certain types of careers

# **National Student Clearinghouse**

The National Student Clearinghouse® Research Center™, a 501(c)(3) nonprofit organization, works with higher education institutions, states, districts, high schools, and educational organizations to better inform practitioners and policymakers about student educational pathways and enable informed decision making.

StudentTracker® for High Schools is a unique program designed to help high schools and school districts more accurately gauge the college success of their graduates by answering such key questions as:

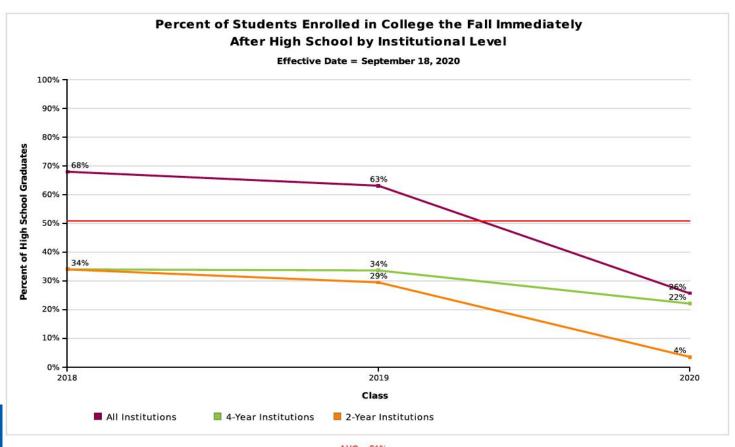

- How many of our high school graduates enroll in college?
- Do they persist and graduate from college?
- How long does it take for them to get their degrees?
- Do they go in or out of state for college?
- Do they attend a two-or four-year school?
- Which colleges do they most commonly attend?

#### 8th Grade

**Focus**: Personal Graduation Plan (PGP) meetings with parent/student, high school graduation requirements & endorsements, course offerings, encourage career exploration through pathway classes, encourage school activity involvement and campus engagement

# **Parent Nights**

**5th Grade** - important transition year as students move from elementary to middle school

**8th Grade** - important transition year as students move from middle school to high school

**9th-12th** - each grade level has a designated parent night to cover important information relevant to that grade level and its unique needs

#### **Course Fairs**

Each high school campus hosts a course fair for all 8th - 11th grade students/parents prior to course selection

#### Goal

- To promote course offerings and engage student interest for course selection for all grade levels
- To highlight CTE, advanced level courses, dual credit and elective offerings
- To inform parents and students of high school graduation requirements
- To assist in 8th grade transition to high school

#### **Other Parent Informational Sessions**

College Visits, Military Recruiters, & Scholarships

# **College Fair & Rep Visits**

Midlothian ISD participates in Ellis County College Fair in September

Juniors/Seniors

College Rep Visits on Campus

- Monthly college reps set up tables in the cafeteria to visit with students
- Visits arranged with AVID classes MHS

TSTC Visits on Campus

- Rep from TSTC visits LEAP students several times per year
- Visit both high schools

# **Military Recruiting**

- Student interest, college liaison reaches out to recruiters and schedules appt.
  - o Or
- Visit with students in the cafeteria to see more students
  - o Or
- Student reaches out to recruiter independently (local office) and recruiter will come to campus for a visit
- Honoring the Brave combined recognition for military signing canceled due to COVID19

# **Scholarships**

#### **Naviance**

- All scholarships are input into Naviance by campus college liaisons
- Students login to Naviance to search scholarships relevant to their need
- Students can to track and update their scholarship awards as those are received
- Scholarship awards night

# College & Military Prep Exams

## **College Prep Exams**

College prep exams are designed to measure knowledge in areas predetermined to provide insights into strengths and assist with educational planning

Colleges use test scores alongside high school grades and a variety of other factors to try to identify students with the highest probability of success.

We want to provide as many opportunities for students to take college prep exams early in their school career so they are prepared for college entrance

# Calendar Adjustment

November 16, 2020 Board Meeting

# **Thought Exchange Data**

#### PD & Work days for teachers to plan and collaborate on campus.

Campuses all have goals to work on and need time on campus to collaborate.

#### PD days for planning with our teams in our rooms Short trainings more planning time

#### **Teacher Planning Days**

If we have virtual students again we really need that extra planning time

#### **Teacher Planning Days**

Every year more gets added to our plates and our time gets taken with meetings. Yesterday was a great use of time!

## More planning days with team on campus.

Need more time with our own teams.

# **Proposed Changes**

- January 4th shift from an iPlan day to a Campus Day for Staff
- 2. February 19th shift from F2F to asynchronous for staff to plan on campus

<b>Board Meeting Date</b> :	November 16, 2020				
Item:	COVID Update: Dual Platform of Learning - F2F and Virtual				
Supporting Document(s):	Electronic: Yes ⊠ No □	Hard Copy: Yes □ No ☒			
Background Information:	Background Information:  Due to the health and safety concerns of the COVID pandemic, TEA approved this summer that Texas school districts could provide the option of offering virtual learning as a learning modality, while in-person learning was required to be offered. Virtual learning was not a requirement. On July 27, the Board heard a complete review of the MISD recommendations for reopening school in August and approved for MISD to offer a dual platform of learning, offering both Face-to-Face Learning and Virtual Learning.  We are now over 9 weeks into school (at the time of this presentation preparation) and have collected qualitative and quantitative data to review the strengths and challenges of our current dual-platform of learning and considerations moving forward. The District will present information on the current dual platform of learning, in addition to three additional options being considered.  UPDATE October 15, 2020: TEA Commissioner updated guidance to school districts due to a trend of districts contemplating to discontinue the remote learning option. This updated guidance is part of the presentation.  UPDATE November 5, 2020: TEA Commissioner updated guidance, once again, and now allows grades & attendance to be factors in qualifying for virtual learning. This updated guidance is part of the presentation.

Policy:	N/A				
District Goal:	Goal 1: Design innovative learning environments while increasing academic rigor through aligned teaching and learning.  Goal 2: Develop a comprehensive staffing plan to foster innovation, effective communication and a high performing culture throughout the district.  Goal 3: Provide a safe and secure learning environment that supports the social and emotional well-being of our school community.  Goal 4: Facilitate budget process and building designs through allocated district resources that foster flexible and innovative learning spaces.  Goal 5: Provide support and resources to cultivate customization and personalization through blended learning opportunities.  Goal 6: Build a strong foundation of the MISD culture through communication and engagement to empower all stakeholders.

# COVID Update: Dual Platform of Learning - F2F & Virtual

November 16, 2020

# MISD's Current Dual Platform Learning - *The "WHY" Behind...*

## **Background**

- Summer 2020: The Texas Education Agency approved virtual learning as an option, but Face-to-Face learning was required.
- Virtual Learning option approved July 27th by the MISD Board
- Professional Development Support for Staff
- October 15, 2020: TEA Commissioner updated guidance to school districts due to a trend of districts contemplating to discontinue the remote learning option
- UPDATE November 5, 2020: TEA Commissioner updated guidance to school districts again on what is allowed in requiring virtual learners to return to campus.

#### **Revised TEA Guidance - October 15, 2020**

- School systems are **not** required to **offer remote instruction** to the general student population.
   (FAQ #19)
- Providing remote instruction to the general student population is a local decision and one that can be modified by the LEA during the school year. (FAQ #19)
- Must give a 14-day notice to parents. (FAQ #20)
- An LEA may target remote instruction to only certain students under the following circumstances:
  - Only for students who are sick or quarantining due to **COVID Protocol**. (FAQ #21)
  - On a case by case basis for certain special education students and students with certain Section 504 accommodations. (FAQ #19 & 21)
  - Only for students with health reason for self or someone in immediate home (FAQ #21)
- Certain non-core courses in secondary may only be offered in an on-campus setting, limiting student access to some remote instruction courses. (FAQ #21)
- Discontinuing or allowing remote instruction in a way that is related to grades is not permitted
   However, health related qualifications are permitted for virtual learning. (FAQ #22)
- UPDATE 11/5/20: TEA now allows grades & attendance to be factors in allowing virtual learning. (FAQ # 22)

## **The Current Facts**

Our teachers have continued to aim at optimizing the quality of instruction. They have held steadfast to keeping "learning outcomes tight, and the learning methods agile & responsive to our context".

#### **Data: Qualitative**

#### **Teacher Lunch & Learn and Teacher Ambassadors Themes**

#### Academic Progress of Virtual Students

- Remediation and Interventions: Insufficient support for the most vulnerable learners
- Less F2F and direct interaction with a classroom teacher; lack of real-time observations
- Struggle to self-regulate
- o Group cognition & social learning is less accessible

#### Social and Emotional Progress of Virtual Students

- Social interaction is less accessible
- Peer relationship building is less accessible

#### Teaching both F2F & Virtual at the same time

- Feasibility of virtual only classes when F2F and Virtual are options for all students (continuity and relationship building as students switch back and forth between platforms)
- Workload on teachers to plan for both F2F instruction and instruction on Canvas/SeeSaw for virtual
- Planning time required to ensure both platforms are rigorous

#### **Data: Qualitative**

Staff ThoughtExchange 10/28-30	Strengths to Virtual Learning	Challenges to Virtual Learning
Actual Thoughts Entered	171	294
Ratings of Others' Thoughts	2,120	4,037

#### **Emerging Themes**

#### **Strengths to Virtual Learning**

- Option for health compromised students
- Students & Staff out on COVID protocol can still engage in class

#### **Challenges to Virtual Learning**

- Student progress (academically and social/emotionally)
- Student accountability (attending in Zoom and turning in work)
- Parent support
- Teaching both F2F and Virtual at same time

#### **Clear Perspective**

Everyone is having a different pandemic. There are students who can **thrive** while learning at home. Equally so, there are students who are **declining** while learning at home. Students and families are learning about new technology tools and practices; many students are **faced with challenges** of **independent learning** posed by this crisis and learning how to **make choices**, **meet deadlines**, and **manage time on their own**. But those **experiential learning gains** are undoubtedly occurring alongside much **less progress in the core academic curriculum** that students typically experience.

## What Campuses are Currently Doing for Virtual Learners...

Revising and Communicating Virtual Learning Expectations for Students & Parents

Increased Required Time in Zoom for Synchronous Learning (every period at secondary)

- Parent/Student/Teacher/Administrator Conferences
  - Offering students to transition back in manner feasible to all parties
  - Discussing possible negative effects of staying on the virtual only path: 90% Attendance, truancy, and risk of failure for the course and/or year (retention and/or loss of credit)

Guiding Students back to F2F - more students are returning F2F than are going virtual by choice

## What Campuses are Currently Doing for F2F Learners...

- Health and Safety Protocols to Keep Students & Staff Safe
  - Masks Required K-12 (most districts require ages 10 and up) and additional Plexiglass in classrooms
  - Social Distancing and/or Plexiglass for Lunch
  - Enhanced cleaning and disinfecting
- 4 of our 13 campuses did not have a test-confirmed case reported in October
  - Irvin, Baxter, McClatchey, and Miller
- 6 of our 13 campuses did not have a test-confirmed case reported since the first week of October
  - o Irvin, Baxter, McClatchey, Miller, Vitovsky and Mt. Peak
- UPDATE 11/9/20: However, 12 of our 13 campuses have had at least 1 test-confirmed case since November 1st
  - Vitovsky has not had any test-confirmed cases since early October

MISD continues to work in **partnership** with the **Texas Education Agency, CDC, AAP,** and the **Ellis County Health Authority, Dr. Leigh Nordstrom,** for all COVID related **guidance** 

## Where Do We Go From Here?

44

In recent news and press releases, we've seen several districts "moving away from virtual learning".

## **Survey Says...**

District	Dual Platform of Learning for ALL (F2F & Virtual)	Modified Dual Platform: F2F Offered to <u>ALL</u> and Virtual Offered <u>ONLY</u> for COVID Protocol, Grades/Attendance, and/or Documented Medical Reason (Self and/or Same Household)	Considering a Change to Modified	Virtual Learners Allowed to Participate in Extracurricular and/or Required F2F Courses?

# Current Practice: Dual Platform of Learning - F2F & Virtual Option for All Challenges:

#### **Strengths:**

- Choice for all students and parents
- Allows students to switch learning platforms based on family choice
- Students can be a virtual learner and be able to participate in extracurricular and/or required F2F courses

- For virtual learners & those switching back and forth
  - Academic progress
  - Social and emotional progress
  - Strain on teachers to maintain high expectations, rigor, and maximize instructional time
  - Lack of group cognition and social learning
- **Increased failure rates** for virtual learners
- Missed real-time, authentic teachable moments if not "in zoom"
- Missed opportunity on real-time teacher observations
- Exposure level increase (contact levels likely) for virtual students attending school for specific courses/activities.
- Additional MILE courses requiring F2F time
   (Engineering, Cybersecurity, & Video Game)

# **UPDATE 11/9/20: Considered** *Option A*: Current Dual Platform F2F & Virtual, but ALL virtual learners must meet grade & attendance requirements.

#### **Strengths:**

- Students in danger of failing or not making progress would be receiving F2F, direct instruction with in-person accountability
- Increased instructional impact & engagement on learners with maximized F2F time with teachers
- Increased academic progress for learners with real-time, authentic observations
- Increased **social and emotional** progress
- Smaller number on virtual platform during class period
- Reduced demand on teacher workload

#### **Challenges:**

- Reduces option to be a virtual learner for all.
- Teachers continue to have both learning platforms
- Could increase F2F numbers in some classrooms

## Considered Option B: Current Dual Platform F2F & Virtual, but All Virtual Learners are 100% Virtual (Those in Secondary

Extracurricular & Required F2F Courses return to full-time F2F)

#### Strengths:

- Secondary: Increased instructional impact & engagement on learners with maximized F2F time with teachers
- Secondary: Increased academic progress for learners with **real-time**. **authentic** observations
- Secondary: Increased social and emotional progress
- **Secondary:** Smaller number on virtual platform during class period
- **Consistency**: if student is in one F2F course, then they are in all F2F courses
- Consistency: Virtual students, all virtual
- Secondary: Reduced demand on teacher workload

#### Challenges:

- **Reduces option** to be a virtual learner and still participate on campus in extracurricular and/or required F2F courses
- **Elementary:** Teachers continue to have both learning platforms
- Secondary: Could increase F2F numbers in **some** classrooms
- Could require local policy to exclude virtual learners from extracurricular

# Considered Option C: Modified Dual Platform of Learning - F2F for All & Virtual Option for ONLY Qualifying Students Strengths: Challenges:

- Increased instructional impact & engagement on learners with maximized F2F time with teachers
- Increased academic progress for learners with real-time, authentic observations
- Increased **social and emotional** progress
- Virtual learning reserved for those under
   COVID protocol, specific Special Ed or 504, or with verified, documented medical necessity
   (self or same household)
- Smaller number on virtual platform during class period
- Reduced demand on teacher workload

- Reduces choice for families for non-health related reasons to choose virtual learning
- Virtual Learning requires documentation from parent(s)/guardian(s)
- Teachers continue to have both learning platforms (limited basis)
- Increases F2F numbers in classrooms
- Lose student enrollment if families choose to find a virtual program elsewhere or homeschool

#### Considered Option D: Single Platform of Learning - F2F for **All & No Virtual Option Strengths:**

- **Increased instructional** impact & engagement on learners with maximized F2F time with teachers
- **Increased academic progress** for learners with real-time, authentic observations
- Increased social and emotional progress
- One platform of learning for teachers

#### **Challenges:**

- **No choice** for families
- Students on COVID protocol or with documented medical need due to COVID would **miss instruction** for duration of absences
- Increases F2F numbers in classrooms
- Lose student enrollment if families choose to find a virtual program elsewhere or homeschool

#### Recommendation

- Tonight is Information Only
- Recommendation of the District
  - UPDATE 11/11/20: In response to teacher needs and the academic and social emotional needs of our students, we recommend Option C if our current local situation allows (Modified Dual Platform of Learning - F2F for All & Virtual Option for ONLY Medically Qualifying Students)
  - **UPDATE 11/11/20:** We continue to monitor the fluid situation of COVID 19. If the **local situation does not allow for Option C**, we would **recommend Option A** (*Current Dual Platform F2F & Virtual for any student, but All Virtual Learners would have to meet grade and attendance requirements to remain virtual*)

## **Next Steps**

#### **Next Steps**

 Board Workshop - Week of November 30th if there is a desire to make a change from the current dual learning platform

#### If a Decision to Change is Made:

- Communication Plan Begins Upon a Board Decision
- Effective Transition Date: Semester 2
