Background Information	<p>WHY: In past years, the Board has expressed a desire for an opportunity to provide an additional one-time supplemental pay to staff in the subsequent school year should sufficient revenue be available.</p> <p>WHAT: In order to better tie supplemental pay to balanced scorecard performance objective 2.1, the supplemental pay plan recommended will replace our system of the past with one that incentivizes staff retention and employment longevity. In this new system, a supplemental would be paid in November of 2023 to returning employees who worked a minimum of 90 contract days in the 2022-2023 school year. An additional longevity bonus will be added for returning employees in November following the completion of a milestone year. As designed a returning employee may receive a retention supplement: \$500 plus a qualifying longevity bonus (5 years - \$500; 10 years - \$1000; 15 years - \$1500; 20 years - \$2000; 25 years - \$2500, etc.).</p> <p>In order to incorporate that desire into the budget process and facilitate the necessary legal requirements, District legal counsel has prepared a resolution outlining the criteria and opportunity for the supplement, if the determination is made at the appropriate time that sufficient revenue is available.</p> <p>Passing or approving the resolution does not guarantee the supplement pay will be given to MISD employees. Not passing or not approving the resolution does prevent the supplemental pay from being given to MISD employees.</p> <p>The total projected cost of the retention supplement only would be approximately \$604,000. The total projected cost of the retention supplement plus longevity bonuses would be approximately \$742,500. A supplement would only be provided should sufficient revenue be available.</p>
